2.1 WP4 session

2.1.1 Decisions

AAU will discuss with fellow academics that teach introduction to PBL on whether they are interested in sharing their content for the creation of a MOOC on “Basic concepts of PBL”.

UOM will investigate existing courses carried out in the University that can be used by OUNL in their MOOC. An Open / Linked Data course is more likely to be chosen.

The language of the MOOC would be best to be in English in order to achieve a larger audience.
